Master Trainer 2023 is a hybrid program. Simultaneously on-campus with a small group of people/ we also plan for an on-line program. If circumstances in the world do not support people traveling, NLPU may have to cancel the on-campus program. Caution on buying airline tickets. *The on-line program will go on ~ regardless.*

When will this Master Trainer program be offered again?
No sooner than 2025-2026.

We are building a NLP International Library. Robert's translated tutorial series are a big project for the community to join in on. Everyone in the world would benefit from knowing NLP.

Robert's tutorials are a vehicle for Master Trainers to make use of. Master Trainers can become DILTS/NLPU Affiliates, Facilitators and Project Partners; we hope you will teach the world NLP. We are proposing many mutually beneficial opportunities, as we pass the breadth of NLP Information to the next generation. NLP Trainers who become DILTS/NLPU 2023 Master Trainers, have our full support.
